

Says

What have we heard them say?  
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

Farmer

I'm very much into experimenting

I'm not sure about my soil condition

I'm glad to control my own room temperature for growing plants

I like the labour and harvest part of gardening

Wants to grow his own stuff

Her's thinking of monitoring his plants

Amount of space at home is less energy

Wants to be part of a community

Construct structures with plants

when plants don't grow well.

I google to find the problem construct structures with plant can't move much.

Very socially into gardening

Practical > sustainable

Loves gardening

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
